

Refractive Eye Surgery Program

If you are frustrated with always having to wear contact lenses or glasses, you may wonder whether you are eligible for LASIK corrective eye surgery.

UofL Physicians – Eye Specialists has a new program that we are exclusively offering to:

- UofL Belknap Campus students and employees
- UofL Health Sciences Campus students and employees
- UofL Physicians employees
- UofL Hospital and UofL James Graham Brown Cancer Center employees
- UofL alumni

About the new Refractive Eye Surgery Program:

- Cases staffed by Richard Eiferman, M.D., Frank Burns, M.D., and Mark Cassol, M.D., who have performed thousands of refractive procedures.
- Procedures are offered at a more affordable rate, ranging from \$495-\$795 per eye for custom LASIK.

Tired of glasses? Come by the Kentucky Lions Eye Center for a Free LASIK/PRK evaluation.

Call **502-588-0550** to schedule an appointment today to find out if you are a candidate. Ask to speak with Kim Klein.
