

UNIVERSITY OF LOUISVILLE
DEPARTMENT OF OPHTHALMOLOGY & VISUAL SCIENCES
2022-2023 FACULTY & STEPHENSON VISITING PROFESSOR SEMINAR SERIES

August

Basil K. Williams Jr., MD
Mary Knight Asbury Endowed Chair
Director of Ocular Oncology
Assistant Professor of Ophthalmology
University of Cincinnati College of Medicine
Topic: Uveal Melanoma After Radiation: What Should We Expect?
Friday, August 5, 2022

Y. Joyce Liao, MD, PhD
Professor of Ophthalmology and Neurology
Director, Center for Optic Disc Drusen
Vice Chair for Academic Affairs
Director, Neuro-Ophthalmology and Neuro-Ophthalmology Fellowship
Stanford University
Topic: Anterior Ischemic Optic Neuropathy: Deep Phenotyping and Treatment Considerations
Friday, August 12, 2022

Erika D. Eggers, PhD
Associate Professor, Physiology
Associate Professor, Biomedical Engineering
Associate Professor, Physiological Sciences Graduate Interdisciplinary Program
Associate Professor, Neuroscience Graduate Interdisciplinary Program
Associate Professor, BIO5 Institute
The University of Arizona, Department of Biomedical Engineering
Topic: Two Types of Retinal Modulation: Diabetes and Dopamine
Friday, August 26, 2022 at 11 AM

September

Mark J. Mannis, MD, FACS
Professor and Chairman of Ophthalmology
Medical Director, Sierra Regional Eye and Tissue Bank
University of California, Davis
Member, Cogan Ophthalmic History Society
Topic: Shakespeare's Eye
Friday, September 9, 2022

Erica Tolar, DVM
Veterinary Ophthalmologist
Bluegrass Veterinary Vision
Louisville, Kentucky
Topic: New Avenues of Drug Delivery for Animals and Humans
Friday, September 16, 2022—presented jointly with Richard Eiferman, MD

Richard Eiferman, MD
Professor
Department of Ophthalmology & Visual Sciences
University of Louisville
Topic: New Avenues of Drug Delivery for Animals and Humans
Friday, September 16, 2022—presented jointly with Erica Tolar, DVM

Jillian Pearring, PhD
Assistant Professor
Ophthalmology & Visual Science
Cell & Developmental Biology
University of Michigan
Topic: The Light-Sensing Photoreceptor Cilium
Friday, September 16, 2022 at 11 AM

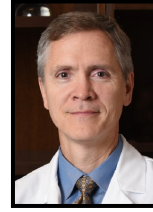

Jacque Duncan, MD
Professor, Department of Ophthalmology
University of California, San Francisco
Topic: High Resolution Retinal Imaging in Retinal Degenerations
Annual Vision Sciences Center Retreat
Friday, September 23, 2022

2022-2023 FACULTY & STEPHENSON VISITING PROFESSOR SEMINAR SERIES

October

Jeremy D. Clark, MD
Associate Professor
Associate Residency Program Director
Vice Chair of Clinical Affairs
Department of Ophthalmology & Visual Sciences
University of Louisville
Topic: *Neutrophic Keratitis: Updates in Surgical Management*
October 7, 2022

David K. Wallace, MD, MPH
Chair, Department of Ophthalmology
Marilyn K. Glick Professor of Ophthalmology
Indiana University School of Medicine
Topic: *Evolving Treatment Strategies for Retinopathy of Prematurity*
Friday, October 14, 2022

Kelly Callahan, MPH
Director, Trachoma Control Program
The Carter Center
Topic: *Eliminating Trachoma as a Public Health Problem in the Worst Known Affected Areas of the World: Amhara, Ethiopia.*
Friday, October 21, 2022

Catherine Bowes Rickman, Ph.D., FARVO
George and Geneva Boguslavsky Professor of Ophthalmology
Professor of Cell Biology
Duke University Medical Center
Topic: *Preclinical Complement-Based Therapies to Treat AMD*
Friday, October 28, 2022

November

M. Bowes Hamill, MD
Professor
Department of Ophthalmology
Baylor College of Medicine
Topic: *Anterior Segment and Iris Reconstruction Following Trauma or Injury*
Friday, November 11, 2022

December

Daniel B. Moore, MD
Residency Program Director
Associate Professor
Department of Ophthalmology and Visual Sciences
Assistant Dean, Program Evaluation
Graduate Medical Education
University of Kentucky
Topic: *The History and Current Use of Race and Ethnicity in the Diagnosis and Management of Glaucoma*
Friday, December 2, 2022

Christopher J. Compton, MD
Program Director, Vice Chair of Academic Affairs
Associate Professor,
Department of Ophthalmology and Visual Sciences
University of Louisville
Topic: *Oculofacial Plastic Surgery: What's New?*
Friday, December 9, 2022

J. Peter Campbell, MD, MPH
Associate Professor
Casey Eye Institute,
Oregon Health & Science University
Topic: *Applications of Artificial Intelligence in Retinopathy of Prematurity*
Friday, December 16, 2022

January

Patrick Scott, OD, PhD
Associate Professor
Department of Ophthalmology & Visual Sciences
University of Louisville
Topic: *Ocular Consequences Secondary to Contact Lens Misuse and Abuse*
Friday, January 6, 2023

2022-2023 FACULTY & STEPHENSON VISITING PROFESSOR SEMINAR SERIES

February

Shorye Durrett, MD

Assistant Professor
Assistant Dean for Student Affairs
Director of Faculty Development and Community Relations
Department of Ophthalmology & Visual Sciences
University of Louisville

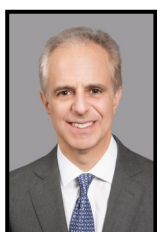

Topic: *The EYEcatching Legacy of Dr. Maurice F. Rabb Outlasting the University of Louisville School of Medicine's Early Segregation Barriers*
Friday, February 10, 2023

Bart Borghuis, PhD

Associate Professor
Department of Anatomical Sciences & Neurobiology
University of Louisville

Topic: *Understanding Signal Processing in Retinal Bipolar Cells*
Friday, February 17, 2023 at 11 AM

Carl Regillo, MD

Director, Retina Service
Wills Eye Hospital
Professor of Ophthalmology
Thomas Jefferson University

Topic: *New and Emerging Therapies for Neovascular AMD*
Friday, February 24, 2023

March

Lana M. Rifkin, MD

Ophthalmic Consultants of Boston
Director, Uveitis Service, New England Eye Center
Assistant Professor in Ophthalmology
Tufts University School of Medicine
Topic: *Infectious Posterior Uveitis*
Friday, March 3, 2023

Kip M. Connor, PhD

Head of Ophthalmology Research
Biogen

Topic: *Neuroimmunity in the Ocular Microenvironment: A Role for Innate Immunity in Retinal Degenerative Disease*
Friday, March 17, 2023

Judith Mohay, MD

Associate Professor
Director of Primary Care Center
Department of Ophthalmology & Visual Sciences
University of Louisville
Chief of Ophthalmology,
University of Louisville Hospital

Topic: *Secondary Glaucomas*
Friday, March 24, 2023

Mahavir Singh, DVM., PhD

Assistant Professor
Department of Physiology
University of Louisville

Topic: *Eye as a Window to the Long-Covid Black Hole*
Friday, March 24, 2023 at 11 AM

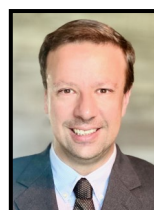

April

Augustine R. Hong, MD

Assistant Professor
Department of Ophthalmology & Visual Sciences
Washington University School of Medicine in St. Louis

Topic: *The Changing Landscape of Ocular Surface Disease Management*
Friday, April 7, 2023

Jason S. Meyer, PhD

Associate Professor
Department of Medical and Molecular Genetics
Stark Neurosciences Research Institute
Indiana University School of Medicine

Topic: *Intracellular and Intercellular Mechanisms Underlying the Neurodegeneration of Retinal Ganglion Cells*
Friday, April 21, 2023

2022-2023 FACULTY & STEPHENSON VISITING PROFESSOR SEMINAR SERIES

May

David Strickland, MD
Partner/Ophthalmologist
Middletown Eye Care
Louisville, Kentucky
Topic: *Visian ICL for the Comprehensive Ophthalmologist*
Friday, May 19, 2023

June

Kathy Hetzler, BCO, BADO, FASO
Hetzler Ocular Prosthetics Inc.
Fishers, Indiana
Topic: *Making of a Prosthesis*
Friday, June 2, 2023

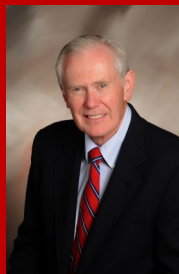

Aparna Ramasubramanian, MD
Program Director of Retinoblastoma
Phoenix Children's Medical Group - Ophthalmology
Topic: *What's New in Ocular Oncology*
Keynote Speaker Residents Day
Saturday, June 17, 2023

Lectures held at 7:30 am, unless otherwise noted, in the
Dr. Harry C. Stephenson Conference Center
at the Kentucky Lions Eye Center

CME credit offered

For more information, please contact Erin Moody -
erin.moody@louisville.edu

Harry C. Stephenson, MD

Some lectures this academic year may be given virtually via
Microsoft Teams.
